HOW A STARTER WORKS

Four moves. No prep.

1 Ask the big question

2 Pairs talk, then vote

3 Look at the facts

4 End on one takeaway

LESSON STARTER

CREATIVE | 5 MIN

AI as Your Creative Partner

When you use AI to create something, who do you think is the real creator, you or the AI?

HOW IT STARTS

Pairs talk for 60 seconds. Then vote.

LESSON STARTER

SMART | 5 MIN

How Does AI Actually ‘Think’?

When you ask ChatGPT a question, do you think it ‘understands’ you the way a human would?

HOW IT STARTS

Pairs talk for 60 seconds. Then vote.

LESSON STARTER

SAFE | 5 MIN

Who's Really Behind the Screen?

If you couldn't tell whether a video of your friend was real or AI-generated, what would you do?

HOW IT STARTS

Pairs talk. Then vote on four options.

LESSON STARTER

SAFE | 12 MIN · KS4–5

AI Relationships?

If an AI chatbot makes someone feel genuinely less lonely, does it matter that the connection is not real?

HOW IT STARTS

Watch the clip. Then talk it through.

LESSON STARTER

RESPONSIBLE | 5 MIN

The Hidden Costs of AI

If you knew that using AI every day had a real carbon footprint, how would that change the way you choose to use it?

HOW IT STARTS

Pairs talk for 60 seconds. Then rate it 1 to 5.

LESSON STARTER

FUTURE | 5 MIN

Your AI-Ready Future

If AI can do many jobs faster than humans, what skills will make you valuable?

HOW IT STARTS

Pairs talk for 60 seconds. Then share one skill.

GO FURTHER

Most starters have a debate.

PRIMARY

If AI helps you make a picture, is it still your picture?

SECONDARY

Using AI makes people more creative, not less.

POST-16

This house believes AI-generated work should not be eligible for creative prizes.
